Ride Terms and Conditions

If you want to be able to ride our bikes, we need you to understand and agree to these simple terms and conditions for you and your clients, family, students.

I / my client will:

Always wear a helmet when riding a bike, (no helmet, no ride!)

- If someone in your group cannot wear a helmet for medical reasons, you must tell us and complete a separate disclaimer and risk assessment.
- Helmets must be checked before you start riding.

Complete a Pedal Power rider induction

This means I will:

- Show I can ride my bike safely and under control.
- Show I can use the brakes properly.
- Listen to instructions about how the bike works and where the cycle track goes.

Ride carefully and safely

This means:

- Be aware and thoughtful of other cyclists and park users.
- Use the bell to let people know I am there.
- Stay on the appropriate track for the bike I am using – see map.
- Slow down at junctions and when there are people and animals about.
- Not racing other cyclists.

Look after my bike

This means:

- Treat it with care and respect.
- Do not leave it alone in the park at any time.
- Tell staff if I have a problem with my bike.
- Do not try to change anything on the bike without the help of Pedal Power staff.
